

This is your **opportunity**  
to design your own  
One Day **Adventure Tour!**

Visit Hacienda Pozo Azul Adventures, only 90 minutes away from San José, at La Virgen de Sarapiquí. You can explore undisturbed nature on the back of a well trained horse, or at the thrilling white water rafting class II and III at the Sarapiquí River or on our exciting but very safe Canopy.

We will pick you up at San José and take you through the beautiful mountains of Vara Blanca where you will enjoy a delicious typical breakfast. After breakfast we will continue bordering the impressive Sarapiquí River Canyon to Hacienda Pozo Azul. Here your day really starts, with the two adventures you have chosen and an exquisite lunch at our first class restaurant. After this unforgettable experience the transportation will take you back to San José, arriving approximately at 6:30 PM.
